

**Jan 26, 2015 -Redwood City, CA** Zimcode, makers of TeamRunner and a leader in sports team travel, today announced a partnership with Ohio Youth Soccer Association - North (Ohio North). This partnership will expand TeamRunners reach in the midwest and provide Ohio North and its teams access to a powerful and integrated online solution to sports team travel.

“Ohio North whose commitment to providing a positive soccer experience for their youth will be a great partner for Zimcode.” says Ziad Tleimat Founder and CEO. “This agreement exemplifies their dedication toward providing their participants with the most cutting edge technologies that enhance the customer experience and provide scholarship opportunities for athletes in need.”

“We are very excited to be working with Ohio North and look forward to providing both the organization and its members with an easier way to manage all aspects of team travel. Through [TeamRunner.com](http://TeamRunner.com) teams can book hotel and dining reservations and the organization can access real time information about their events. We are bringing technology to sports team travel,” said Colette Kuhnsman Founder and VP of Marketing.

The first Ohio North event that TeamRunner will provide services for is the 2015 Ohio North State Cup beginning May 29, 2015 in Sylvania Ohio.

“Ohio North is happy to announce TeamRunner as a Sponsor and Official Travel Planner,” said Executive Director Bob Riggs. “We are eager to add this benefit for Ohio North members, giving team managers and coaches a one-stop shop for making travel arrangements. Additionally, our partnership with TeamRunner will help fund an Ohio North scholarship for players.”
